Last December I had a very exciting holiday. I went to Italy with my mother. We travelled there by plane. We were there from December 28 to January 4. It was new year holidays. We stayed in different hotels. We visited many places: Riccione, Roma, Pompei, Napoli, Siena, Montecatini Terme, Firenze, Padova, Venezia, Verona. During eight days we saw a lot of wonderful sights such as Colosseum, Patheon, Triton Fountain. We really enjoyed being there due to all the amazing sights and experiences we had. I was very happy. When we got home we were happy too. East or west - home is best.
