I moved here 6 years ago with my parents and a little sister. Our house is surrounded by a children's park and some shops. Our flat is on the top floor and it's 80 square meters, so it's very light and spacious. It is also well-planned and comfortable. There are all necessary modern conveniences in the flat: hot and cold water, gas, heating, television and internet connection, electricity, a refuse chute.

We have a living-room, a kitchen, a bathroom, two bedrooms and a pantry. The biggest room is our kitchen. We cook there and have meals at a big wooden table. The gas-stove, the fridge and the sideboard for dishes and glassware are built-in. We use all modern kitchen gadgets here: an electric kettle, a microwave oven, a dish-washer, a coffee machine, a food processor, a toaster.

The view from the windows in our living-room is amazing. Our guests admire the picturesque scenery of the wood and the river. There is an artificial fire-place in the wall and a fluffy carpet on the parquet floor in the middle of the room. We often lie on it watching some good movie on TV. My mother is fond of growing plants, so the living-room is full of palm-trees and blooming plants. It looks fantastic.

I have a room of my own. According to my taste I chose the wallpaper for the walls and the furniture: a sofa with lovely cushions, a wardrobe, a writing desk and a floor lamp. The window is framed with peach silk curtains. The floor in my room is covered with wall-to-wall carpeting. I love my bedroom, it's very cozy and warm.

Probably my flat isn't ideal to someone's mind. But for me it's the best place to relax and meet my family. They say: "East or West, home is best". My parents are very hospitable and we keep our house open for friends and relatives.
