In the hallway there are hangers for top clothes and shelves for shoes. There 's a robot vacuum cleaner in the corner, that 's my cleaning bowl.

I have a bright bedroom with a big window. The bedroom has a large bed and wardrobe, there is a table opposite the window on which the computer stands. I have a lot of books, I love psychology, all these books I keep under my bed.

In a small room opposite lives my son, he also has a table, a bed and a wardrobe. There are many shelves and books in his son 's room. There 's also a parrot cage in his son 's room.

The kitchen is small but well-equipped. There is a stove, oven, fridge, microwave, electric kettle and cupboards with kitchenware. Also the star of my kitchen is a dishwasher machine that I love very much. I have a coffee maker as well.
