Hello, my name is Ramil. I saw your announcement that you need employees. I would like to be an employee your company, experience is available. Im 36 age. I worked for 10 years in two ministries as a courier-referent. i also worked as a translator in the company for about 6 years. Currently I work as an assistant to the head of the company called «N».

I am currently studying at the university improving my level of education, from positiv qualities of character loyalty love of the work and to the people. I can communicate with people to get out of conflict situations, I always try to be polite and not only politically correct, as well as any person has negative qualities over which I work. I like learning thats new, for example new language and intellectual and smart play. I know russian, azerbaijani, english, a little bit turkian and spanian.

I have hobby, i like to travel abroad our neighboard country and whole not enough money i went to travel our branch and village. Today i to study at university, i improving my english and to learning spanian. Now i work free lancer and reason i am writing to you to express my interest in the new free lancer position among translator. I believe that i am an excellent fit for this job, i hopr given admintration. I can drive a car and i know that my skills and qualification prove my ability to fill that role.

Best regards
