Every day we hurry. We hurry to time to make all the plans, not noticing at times the most amazing and beautiful things that are around us. But so many things, phenomena, events are wonderful and exciting. We simply need to slow down, stop for a moment and pay attention around. Amazing all around!

Each new day brings us many amazing things, but often we do not notice this. But it is so important to enjoy simple everyday things. I believe that the most beautiful thing in the world is what we live, breath, fall in love, love, live for somebody or something and enjoy what life gives us. But not all people know how to enjoy life. They are always somewhere in a hurry and not noticing the beautiful things around. People do not pay attention to the amazing natural phenomena that really fascinate and delight. For example, the first snow, colorful leaves slowly falling to the ground, rainbow in the sky after the rain, the sunrise and the sunset. How much joy, happiness and delight can deliver close monitoring of these phenomena. But unfortunately, in most cases, to real enjoy this amazing things are only children.

The man and all that it involves quite are surprising phenomenon. How many mysterious and unusual can bring to the world of one person. Many wonderful pictures, breathtaking melodies, emotional and memorable poems and literary works created by man. Beautiful building with a unique architectural style, modern technical innovations deserve true admiration for the human capabilities. Is not it a reason to wonder what the most beautiful things in the world around us?

And how much amazing can happen every day: a pleasant awakening, the sounds of a bustling city or a quiet rural quietness, communication with good people. Every day gives us many opportunities to notice and appreciate what is happening around the beautiful things, events. Learn to notice the beauty around you, enjoy the simple things. It will make your life much happier.
