Visit one of the most beautiful cities in the world - St. Petersburg, there are so many beautiful places in this city that I don't even know where to start.

The Hermitage Museum is one of the largest museums in the world, which is simply impossible to get around in one day! If only run. My favorite room with paintings by Rembrandt. I also like gun halls. Who likes paintings, I also advise you to go to the Russian Museum, my favorite artist is Kuindzhi.

There are several very beautiful temples and cathedrals in St. Petersburg. Most of all I like four: the Church of the Savior on Spilled Blood, Kazan Cathedral, St. Isaac's Cathedral and Chesme Church.

A must-see place is the suburbs of St. Petersburg. Firstly, it is of course Peterhof or Petrodvorets with its fountains and views. Secondly, it is Pushkin or Tsarskoye Selo. And if time remains, then you can still visit Gatchina, Pavlovsk and Oranienbaum.

All tourists without fail visit the Peter and Paul Fortress with its Peter and Paul Cathedral, in which Russian tsars, such as Peter 1, Catherine 2 and all the rest, are buried. Do not be alarmed by a loud shot at 12 noon, this is a traditional midday shot from the Peter and Paul Fortress. By the way, there are many interesting museums inside it, and next to the fortress there are such interesting places as a zoo, a mini city and my favorite artillery museum.

I also recommend that you walk along Nevsky Prospekt to Palace Square, the heart of the city, and then go across the Palace Bridge to the arrow of Vasilyevsky Island - a place where the Neva River is divided into two parts. At night, you need to come here again to see the divorce of the bridge or take a water excursion to see the divorce of several bridges from the water.

If you like the theater, then there are dozens of amazing venues for you, such as the Mariinsky Theater, the Alexandrinsky Theater, the Tovstonogov Theater, the Musical Comedy Theater, the N.P. Akimov Comedy Theater, the Baltic House, the V.F. Komissarzhevskaya and many others.

Among the museums, in addition to the above, I would like to highlight: the Faberge Museum, the Kunstkamera Museum, the Museum-Apartment A.S. Pushkin, Erarta Museum

of Modern Art, Zoological Museum.

In addition, the city has such amazing places as: the cruiser Aurora, Bank Bridge, the House of Peter I, the Bronze Horseman monument, the Botanical Garden, the Oceanarium, the Water Park, the Summer Garden, the Narva Gate, the Sphinxes and much, much more!
