Dear friend, I tell you some about family in our country. We are live in the capital of our country, in Baku. We are very proud that we were born here Primarily, I want tell you a little bit about my family. Generaly my family to consisted six members, with my father, my mother , my brother and big and little sisters. My father died many years ago he was train conductor, my elder brother moved to another country he was seller, my elder sister married she was cook and moved to husbands home, a little sister died when I was a small boy. My grandfather and grandmother died before Iwas borned. My grandfather worked in theatre, my grandmother was an opera singer. I live with my mom. She is pensioner. She is 68 years old. . I alike more my mother than father, but but some features from my dad. Of course, I have my own personal qualities.

In the villages family have more members and consisted seven, eight and nine children. There are family in our country different. But in the city, it is customary to have many children in a family where two or three or more children are considered a large family. We were don't like smoke and drinking, however you are will meet some people who is do it. We try to be friends with neighbors, because we understand we need each other. Also every week we try to visit our relatives. This is good tradition. We love people and we try help as much as possible. in conclusion I would like to say that this year born ten millions members in our country.

Good luck.
