of noise of any place, there are many peaceful moments.

For example, after most people have gone to work, you can hardly  
hear any noise. Of course, when the kids get home, there is more  
noise; but, it is relatively quiet all day in my neighborhood.

everyday and the kids play outside with no problems. Since

is not much traffic, we don't worry too much about cars.

Furthermore, I can walk around my neighborhood without being  
afraid of someone hurting me. All in all, my neighborhood is

secure.

and he got my car going again. This is just one of the many

examples of how my neighbors are

the best people I know.

**Conclusion**

In conclusion, my neighborhood is a great place to live.
