In the summer, I would like to go to Latvia. Arriving there, I would walk around old Riga, would go to a couple of local restaurants such as LIDO. It is very tasty to prepare national dishes. Then he would go to the city of Jurmala and there would settle in the hotel. In Jurmala very good air, sea, Park. I would also visit the musical Sands. And I would go to Kolka, in this place there is the Baltic sea and the Gulf of Riga. Then I would like to go to Tallinn for a couple of days. In Tallinn there is a beautiful castle of Rakvere. This is one of the most interesting castles in Estonia. Initially, the building was a fortress with galleries that surrounded the courtyard. And then I would return to Jurmala and just relax there, take SPA treatments, sunbathing. There is a water Park in Jurmala. There are many different scary slides, a couple of pools and a large SPA area. But the most famous place in Jurmala is the Dzintari concert hall. There are many years passed the new wave and there that always had a lot of people. And now the new wave no longer passes in Jurmala. But the hall was not empty. There are also various concerts. They say that in the summer there will be all of us familiar Maxim Galkin. Finally, I want to visit Dzintari Park. This is a large Park in Jurmala, in the center of which is a Panda Park which has 4 levels of difficulty, and there is a large bike path, and a large walking pedestrian area.
