Your company is known as a leader in the field of logistics in the market of Kazakhstan. Recently I saw an open vacancy of an advertising manager in your company on the Works.kz portal and would like to offer my candidacy.

After reading the requirements for candidates, I believe that I could apply for this position, because:

I have more than 3 years of experience in the field of sales

I own tools of online advertising and Social media marketing

I have experience working with international companies

fluent in English.

I have a lot of experience working with people, I can easily contact them, I have high communication skills. I worked in marketing for three years, I know the psychology of sales. There is also experience in the field of promotion and SMM. With my work in an online store company, their audience increased five times, a sales record was reached, in general, the company's revenue increased several times, this is the result of a year of cooperation. I also have the skills of design, copywriting, the preparation of content plans and promotion strategies, the skills of translation and adaptation of texts, information retrieval. I study at the Faculty of Linguistics in the field of translation. I look forward to working remotely, in touch daily. this format of such work is more convenient for me, since I am on maternity leave to care for a child. I really hope that my candidacy will interest you. I will be very glad to cooperate

You will find my resume in the attached file. I will be glad to meet in person and answer any additional questions.

Thanks for your time.

Respectfully,

Morskaya Diana "
